**PAR**  
EXCELLENCE

# The Easy Way to Control Inventory Is Now Even Easier on Your Budget.

## Total Inventory Automation - Financed Your Way.

### **Tight capital budget are no an longer obstacle to putting your inventory on auto-pilot with PAR Excellence.**

PAR Excellence subscription plans through MedOne let you put PAR to work in your supply chain immediately - and then pay as you go.

Total inventory automation. No cycle counts or guesstimates. And now, no need to scramble for capital budget dollars. Just an affordable, predictable monthly payment that finance treats as an expense.

### **Simple. Just like choosing PAR to solve your supply chain issues.**

PAR subscription pricing is simple. Your monthly payment includes hardware, software, installation and support, plus your choice of interfaces to your internal IT systems.

Optional PAR software streamlines billing for supplies. And insights from your PAR-powered storage areas can help optimize PAR levels and order pacing.

Your supply chain, solved. Your budget, smoothed.
